

Public Service Award

The Grand Council of Cryptic Masons Public Service award is provided to a Colorado member of Jobs Daughter that has contributed to the community in a significant way both within the Bethel and in the outside community.

This award is based on the commitment of our youth to advance the betterment of life in the community where they live.

Our goal is to applaud young women who already are making a positive difference in their towns and neighborhoods, and to inspire others to think about how they might contribute to their communities.

The application letter must:

- Describe an individual's participation in community service activities hosted by the Bethel.
- Describe an individual's participation in community service activities performed outside the Bethel.
- Describe an individual's participation in raising money for HIKE.
- Describe an individual's participation in raising money for any worthy cause.
- Be completed and submitted to the EGGC by May 1, 2019.
